

2006 Windham Regional Plan

Regional Development Pattern

June 2006; c:\RegPln06\Development.mxd

Note: This map should be used for general reference and planning purposes only.

Sources (refer to appendix): 17; also 1, 2, 3.

This map attempts to show the pattern of development across the Region by displaying structures and major roads. While features other than the structures and roads displayed here can constitute development, defining these other feature and then mapping them would be difficult. By showing roads and structures, the map, taken in a regional context, should give the viewer a general ideal of where in the Windham Region the majority of human activity and land modifications are located.

- Structures
- Interstate highway
- Federal, state, town highway (excluding Class 4 town highways)
- Major river
- Major lake or pond
